ORDER MODIFYING THE FINAL DECISION AND ORDER

---

On July 24, 1996, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's Order, respondent's license to practice medicine and surgery in Wisconsin was suspended until he was released from prison and for an additional period of five years thereafter. The Order provided that upon his release from prison, he was permitted to apply for consecutive three month stays of the suspension, which would be granted conditioned upon his complying with specified limitations on the license during the prior three month period. Limitations included successful participation in a drug and alcohol treatment program, including individual and/or group therapy, and participation in a program of random, witnessed drug screens for alcohol and controlled substances on a twice-weekly basis.

By letter dated September 4, 1997, respondent, by Attorney Randall J. Standfort, petitioned the board for modification of paragraph "a." of the board's Order, relating to the stay of suspension of respondent's license. The petition requests that the term of the suspension be modified to seven years and that the effective date of the stay be changed from the date of his release from prison to October 1, 1997. The proposed modification would add the condition that, notwithstanding the effective date of the stay, respondent would be prohibited from the practice of medicine and surgery until he has been referred to a community corrections center or similar facility. The purpose of the requested modifications is to avoid a decision by the U.S. Department of Health & Human Services to exclude respondent from participation in any federal health care program. The board considered the petition at its meeting of September 19, 1997.

Based upon respondent's request, and upon all other information of record herein, the board orders as follows:

ORDER

IT IS HEREBY ORDERED that paragraph "a." of the board's Order, as set forth in the Final Decision and Order in the above-captioned matter dated July 24, 1996, is hereby modified to read as follows:

IT IS FURTHER ORDERED that effective July 24, 1996, the license to practice medicine and surgery of Respondent is suspended for a period of not less than seven (7) years. Respondent shall notify the Department Monitor of the date of his actual release from prison, and any conditions of release. The suspension is stayed for a period of three months beginning October 1, 1997, conditioned upon compliance with the conditions and limitations outlined below.

a. Respondent may apply for consecutive three (3) month extensions of the stay of suspension, which shall be granted upon acceptable demonstration of compliance with the conditions and limitations imposed on the Respondent for rehabilitation and practice during the prior three (3) month period. Notwithstanding any stay of suspension, Respondent shall not engage in the practice of medicine or surgery until such time as he has been referred to a community corrections center or similar facility, and only under the terms and contained within this Order. "Three months" means until the third regular Board meeting after the meeting at which the stay of suspension is granted.

IT IS FURTHER ORDERED that all other terms and conditions of the Final Decision and Order in this matter dated July 24, 1997, shall remain in full force and effect.

Dated this 19th day of September, 1997.
